Sir,

I have the honour to state that the Minor Municipal Council of Nayakonda in Davangere Taluk have at a meeting held on 25-12-1941 resolved that as there has been lot of damage to crops or other produce on land in or round about Nayakonda Village by habitual trespass of Cattle, fines in respect of the cattle noted in the margin at double the present rates, may be levied The President while forwarding the copy of the resolution of the Municipal Council recommends that as cattle belongs to agriculturists the rate of fine may be fixed at 1½ times the present rates instead of double the rates as resolved by the Council The comparative statement furnished by the Amildar shows that the number of cattle impounded has increased from year to year for the last 3 years In these circumstances, I recommend that sanction of Government may kindly be obtained under Section 12 of the Mysore Cattle Trespass Act I of 1871 as amended by Act VIII of 1892 for levying fines on the cattle specified below at the rates noted against them

Kind of animal	Present rate of fine (per head)	Proposed rate of fine (per head)
Cow or Horse	0-4-0	0-8-0
Buffaloe	0-8-0	1-0-0
Calf or Ass	0-2-0	0-4-0

Cow or Horse	0-6-0 per head
Buffaloe	0-12-0 "
Calf or ass	0-3-0 "

Copies of the resolution of the Municipal Council and the

President's letter No M L C 9/41-42 dated nil are herewith sent for kind reference

Letter No M L C 79/41-42 dated nil from the President, Mayakonda Municipal Council, to the Deputy Commissioner, Chitaldrug District, through the Assistant Commissioner, - Davangere Sub Division

====

In submitting herewith copy of the resolutions/ from the Municipal Council recommending the enhancement of fines on cattle admitted to the cattle pound, I beg to state that the necessity for enhancement of the rates is real and recommendation from the Council deserves consideration But keeping in view of the interest of the Cattle owners who are all agriculturists leading a village life as in any other village, the penalty proposed by the council seems to be drastic I am of opinion that the fines may be fixed as follows -

1	Cows, Bullocks and Horses	0-6-0
2	He and she Bufalloes	0-12-0
3	Calves and asses	0-3-0

The reward proposed by the Council may be fixed at two annas for she and he-buffaloes, 6 pies for calves and asses, and one anna for the rest which may be paid out of the fine levied

As these rates are leviable under the Cattle Trespass Act objections have not been called for under the Minor Municipalities Act
